

2018 Summer Camp at F.L. Schlagle Library

Registration begins Monday, March 5th, 9:00 am ONLINE at www.kckpl.org

Camp Registration Fees are NONREFUNDABLE.

Nuts About Nature

Ages 5-6

(For Those Entering Kindergarten ONLY)

Two choices:

I—June 4-8, 9:00-noon

II—June 4-8, 1:00-4:00

Cost: \$20 (plus processing fee)

Through storytelling, songs, crafts, games, and outdoor activities we'll learn about plants and animals and explore habitats, life cycles, and our environment using all our senses to guide us. We'll even practice our colors, shapes, letters, and number skills through our nature activities as we get a head start on kindergarten. Parents are invited the last day of camp to share some nature time with us!

S.A.N.E.

(Science Art Nature Expression)

Ages 9-11

Three choices:

I—June 25-29, 10:00-3:00 M-TH, 10:00-noon Fri.

II—July 9-13, 10:00-3:00 M-TH, 10:00-noon Fri.

****III—August 20-24, 10:00-3:00 M-TH, 10:00-noon Fri.**

Cost: \$25 (plus processing fee)

Optional Overnight: \$20

Get in S.A.N.E. this summer for a week of activities combining science and nature with artistic expression. We will focus on nature art, but will also go fishing, learn explore the trails, and much more! For Thursday, there will be an optional overnight stay that will include dinner, a campfire with s'mores, nighttime games, and a movie.

Eco Explorers

Ages 6-8

Three choices:

I—June 11-15, 10:00-3:00

II—June 18-22, 10:00-3:00

****III—August 13-17, 10:00-3:00**

Cost: \$25 (plus processing fee)

Eco Explorers Camp combines science and nature education with adventure activities such as teambuilding, archery, hiking, and more! We will explore the natural world through hands-on activities and games, complete colorful crafts, and receive a visit from a special mystery guest!

Destination Science

Ages 12-15

Two choices:

I—July 23-27, 10:00-3:00 M-TH, 10:00-noon Fri.

II—July 30-Aug 3, 10:00-3:00 M-TH, 10:00-noon Fri.

Cost: \$25 (plus processing fee)

Optional Overnight: \$20

This week-long camp for middle schoolers focuses on science, nature and teambuilding. Activities may include hiking, archery, fishing, science experiments, teambuilding, animals, an optional overnight stay on Thursday and much more!

****Please note these dates occur after most school districts resume class.**
