Boy Scout Programming at the F.L. Schlagle Library

We offer a variety of Boy Scout programs in order to help the boys complete Adventure and Badge requirements. Usually, we will cover all requirements for the Adventure or Merit Badge within a single program. Some of the Merit Badges are too extensive to be covered within one program, so in those cases we just help supplement. The following are the programs that we currently offer to support the Journeys and more:

For Cubs: (1 hour program)

Finding Your Way (Wolf)
Fur, Feathers, and Ferns (Bear)
Paws on the Path (Wolf)

Sky is the Limit (Tiger)
Super Science (Bear)
Tigers in the Wild (Tiger)

For Webelos: (2 hour program)

Adventures in Science
Earth Rocks!
Into the Wild

Into the Woods
Webelos Walkabout

For Boy Scouts: (2 hour program)

Archery
Astronomy
Bird Study

Environmental Science
Forestry

All programs are free of charge unless we need to purchase supplies, in which case we charge a small cost recovery fee. If there is a cost recovery, you will be notified during the scheduling process.
