

Kansas City, Kansas Public Library Summer Reading Program 2025

Organization Name _____

Contact Person _____

Best Way to Contact _____

Number of kids who read 20
minutes every day:

Instructions

- ⇒ Read wherever and whenever! Each participating kid fills out his or her own log to keep track of the books read alone, aloud, with family, at story times, in school, at home, in a park. Each kid who submits a log at the end of the program gets to pick out a prize book of his or her choice!
- ⇒ As your program wraps up, the contact person gathers the individual logs and fills out this cover sheet with the names of each kid who participated, the number of prize books needed, and the age or preferred reading levels for prize books. Do you already have a typed-up list of participating kids' names, or would you prefer to type? You can attach it to the cover sheet instead of handwriting the names. Then contact _____ to arrange a book drop off. Please allow at least 72 hours to schedule a drop-off.
- ⇒ Kids still working on reading can drop off their logs at any of our 5 branch libraries (Main Library, West Wyandotte, South Branch Library, Turner Community Library, and Mr. & Mrs. F.L. Schlagle Library) or one of our mobile libraries. To be eligible for the grand prize drawing, these individual logs must be submitted by July 31st.
- ⇒ Questions? Please call 913-295-8250.
