### Instructions

- ⇒ Let's all read together! List 20 minutes your kids read daily (e.g., as a story time or shared assignment).
- ⇒ Now list all the names of all the students who participated. Write the total number of participating kids in the box in the top right-hand corner and the age or preferred reading levels for prize books. Do you already have a typed-up list of participating kids' names, or would you prefer to type? You can attach it to the cover sheet instead of handwriting the names. Then contact \_\_\_\_\_ to arrange a book drop off. Participating students will each get to pick out a book of their choice! Please allow at least 72 hours to schedule a drop-off.
- ⇒ Do your kids want more books or a chance to win our big prizes? Kids participating at their schools or camps can still also fill out individual logs at any of our 5 branch libraries (Main Library, West Wyandotte, South Branch Library, Turner Community Library, and Mr. & Mrs. F.L. Schlagle Library) or one of our mobile libraries. To be eligible for the grand prize drawing, these individual logs must be submitted by July 31st.
- ⇒ Questions? Please call 913-295-8250.
